Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322 and 1.323.

Inspection of the file of the application for the patent reveals that errors requested to be requested on PTO/SB/44 form are printed in accordance with the record in the Patent and Trademark Office, as passed to issued by the examiner. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322.

In view of the foregoing, your request for certificate of correction is hereby denied. However, further consideration will be given these matters, upon receipt of a request for certificate of correction under the provisions of 1.323, accompanied by the appropriate fee which is presently \$100.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch.
